1. Introduction:

The Faculty Corporate Meet held on 8 th of April-2024. a dynamic platform fostering the synergy between academia and industry. Delving into the core themes of theme: Navigating Change: Resilience and Innovation in modern management practices., the event became a melting pot of innovative ideas and collaborative strategies. Faculties participated with great enthusiasm, sharing insights to enhance teaching methodologies aligned with real-world demands.

2. Program Objectives:

To provide a platform for robust discussions on adapting to change, fostering resilience, and driving innovation in the realm of general management

To facilitate a dynamic exchange of ideas and insights between external corporate experts and faculty members in the realms of strategic management, ethics, sustainability, and economics.

3. Relevance to PO, Relevance to PEO and PSOs

PO	Program Objective (PO)
PO1	Apply knowledge of management theories and practices to address and resolve business challenges
PO2	Demonstrate analytical and critical thinking abilities for information-based decision making
PO3	Analyse global, economic, legal and ethical aspects of business
PO4	Apply trans-disciplinary tools and techniques towards effective problem solving
PO5	Assist others and self in accomplishing organizational objectives and contribute effectively to a collaborative team setting.
PO6	Exhibit an entrepreneurial mindset for the establishment of sustainable businesses and societies.
PO7	Exemplify value-based leadership for excellence

4. Activity Overview:

General Management Area organized a ‘Faculty Corporate Meet’ on the theme **Navigating Change: Resilience and Innovation in Modern Management Practices**. The objective of the meet was to provide a platform for robust discussions on adapting to change, fostering resilience, and driving innovation in the realm of general management and to facilitate a dynamic exchange of ideas and insights between external corporate experts and faculty members in the realms of strategic management, ethics, sustainability, and economics. The outcome of the session was to empower faculty members with cutting-edge industry perspectives in general management, to cultivate synergies between academia and industry for knowledge enrichment, to enhance pedagogical strategies and academic content through real-world applications, and to raise awareness of contemporary industry dynamics and strategic approaches in general management.

The resource persons for the session were Mr. Krishnan Narayana, Sr. Vice President, ASM Technologies Ltd, Mr. Andre Peter, Advocate, Shardul Amarchand Mangaldas, Mr. Raveendranath Kaushik, Consultant, Raveendranath Kaushik & Associates and Mr. Sujites Das, Creator, Chief Executive Officer, Badge free. 27 faculty members were part of the meet.

Mr. Krishnan Narayana, Sr. Vice President, ASM Technologies Ltd Innovative Approaches to Sustainable Growth

The resource person spoke about various aspects of innovation that organizations are working on for Sustainable Growth. In his talk, he used various examples of companies that have been working in the field of sustainability. In his talk, he suggested books that the participants should read. He also provided several suggestions that faculty members can take up to engage students and help them to innovate in the field of sustainability.

Mr. Andre Peter, Advocate, Shardul Amarchand Mangaldas Ethics at the Core of Sustainable Business Practices

The resource person spoke about how we can bring in a balance between people, planet, and profit. Various companies in India and abroad have strived to achieve balance in the aspect of the 3Ps. He spoke about the aspect of organizations becoming socially responsible which would help to preserve the future. He also spoke about how organizations should work where they provide the best for the people (employees), best for the planet in the process of earning profit.

Mr. Raveendranath Kaushik, Consultant, Raveendranath Kaushik & Associates
Economic Insights Shaping Management Decision-Making

He talked about how economic insights are required for effective decision-making. He spoke on various issues which India is facing such as unemployment, availability of skilled labor, land reform issues, and organizations working professionally. He focused on various initiatives taken up by the government in the upliftment of various businesses across all sectors. His talk addressed the practical issues and challenges faced by the Government and its impact on the public and the beneficiaries.

Mr. Sujitesh Das, Creator & Chief Executive Officer, Badge free
Adapting Strategies for a Dynamic World

The resource person spoke about how individuals and organizations will have to adapt to new ideas and strategies in the world which is changing very fast. He spoke about in-depth strategies and competitive advantages that companies are striving for. He spoke on various issues such as collaborative competition vs conflicting, military decision-making vs stakeholder-centric, cyclical process vs sequential, cross-functional pollination vs vertical horizontal, influence vs build or buy, followership vs leadership, and heterogeneity vs homogeneity.

5. Guest/Speakers' Profile:
Krishnan Narayana

Krishnan Narayana's background and expertise in Information Technology, Manufacturing, Entrepreneurship, and Innovation make him a valuable asset in driving strategic initiatives for socio-economic growth. His focus on "Sandpit Strategy" reflects a holistic approach that combines technology, inclusiveness, and innovation to benefit a wider audience, beyond high-end lifestyles. Here is an overview of Krishnan Narayana's profile and initiatives:

Profile Overview:

- 30+ years of experience in Information Technology and Manufacturing industries.
- Entrepreneurial journey with hands-on experience in business development.
- Senior Vice President at ASM Technologies, playing a strategic role in Business Development, Innovation, Corporate Strategy, and Operations.

- Holds a Bachelor's Degree in Industrial and Production Engineering, MBA in Marketing, Post Graduate Diploma in Intellectual Property Rights Law, and Post Graduate Diploma in Innovation and Design Thinking.
- Actively involved in various initiatives focused on achieving socio-economic growth through technology and innovation.
- Speaker at various forums, sharing insights and expertise in areas like Design Thinking, Systematic Inventive Thinking, and Strategy as Innovation.

Key Initiatives and Vision

Sandpit Strategy: Krishnan's "Sandpit Strategy" emphasizes the importance of technology benefiting the masses, not just limited to high-end lifestyles. This approach likely involves creating inclusive solutions that address the needs of diverse populations, leveraging technology for social impact.

1 Million IP Program: Krishnan's program aims to achieve 1 million Intellectual Property assets (IP) for India, focusing on inclusiveness and innovation as drivers for socio-economic growth. This initiative likely involves encouraging and supporting innovation across various sectors to generate valuable intellectual property.

Innovation Through Design Thinking: Krishnan advocates for innovation of products and services through Design Thinking methodologies. This approach involves understanding user needs, ideation, prototyping, and iterative refinement to create solutions that are user-centric and impactful.

Systematic Inventive Thinking: Krishnan also promotes Breakthrough Innovation through Systematic Inventive Thinking. This method involves systematically applying principles and patterns to generate novel ideas and solutions, leading to disruptive innovation.

Strategy Is Innovation: Krishnan believes that Strategy is Innovation, emphasizing the role of visionary leadership in shaping the future and creating value through innovative strategies. This mindset likely drives ASM Technologies' approach to business development, corporate strategy, and operations.

Overall, Krishnan Narayana's multifaceted expertise, strategic vision, and focus on innovation and inclusiveness make him a driving force in leveraging technology for societal benefit and economic growth. His contributions to ASM Technologies and broader industry forums showcase his commitment to driving positive change through innovation and strategic leadership

Raveendranath Kaushik

Independent Consultant since 14 years in the area of Direct Taxes, GST, Internal Audit and Project Management and Consulting. Represent and appears before various statutory authorities like Registrar of Companies, Income Tax department, Commercial Tax department and GST authorities. Preparation of Detail Project Report (DPR) for new and expansion business.

Andre Peter

Mr. Andre is an Advocate at Shardul Amarchand Mangaldas, and specializes in Dispute Resolution and practices in the areas of Banking & Finance, Mergers & Acquisitions, Private Equity and Corporate Commercial.

He has gathered invaluable experience & expertise, inter alia, in handling various types of Litigations - Corporate & Commercial, Intellectual Property Rights, Arbitrations, Writs under the Constitution of India before various Tribunals, Commissions, Trial and High Courts of the Country and the Supreme Court of India. Mr. Andre has also advised on several Mergers, Acquisitions & take-overs, Joint Ventures, PE Investments, legal audits & due diligence exercises and drafting of commercial agreements.

He also advises domestic and international clients in Banking & Finance related transactions including Syndicated Lending (secured & unsecured), domestic & external Commercial Borrowings, Financing and Debt Restructuring. He also advises clients on foreign exchange control laws, security creation and general Corporate Commercial laws."

M. Sujitesh: Mr. Sujitesh is a seasoned business strategist and "gigstar CXO" with 23 years of experience. He navigates the corporate, entrepreneurial, and academic worlds, currently serving as COO of HealthWorksAI, a product firm at the intersection of business, math, and technology. Previously, Sujitesh held senior HR leadership roles at Cognizant, HCL, and Microland, where he honed his passion for organizational performance and culture transformation. He's now building his own platform, badgefree, aiming to revolutionize talent recognition and human equity. An active faculty at top Indian B-Schools and founder of aid KRIYA, an NGO focused on autoimmune disorders, Sujitesh demonstrates a deep interest in human behavior and nation-building. His unique perspective on value creation, innovation for impact, and his unwavering drive for mastery, autonomy, and purpose make him a true trailblazer.

6. Summary and Key Learnings of the session:

The session focuses on enhancing Semester Preparedness & Industry Relevant Pedagogy, equipping participants with up-to-date knowledge and practical skills. Through dynamic teaching methods, it bridges academia and industry, ensuring graduates are job-ready. Attendees gain insights into current industry trends, fostering a deeper understanding of real-world applications. This outcome fosters a seamless transition from classroom to workplace, creating professionals who excel in their chosen fields. Ultimately, the session empowers individuals with the tools needed to thrive in the modern, fast-paced professional landscape.

1. Was the session effective to provide insights on the integration of cutting-edge industry perspectives into general management education?

16 responses

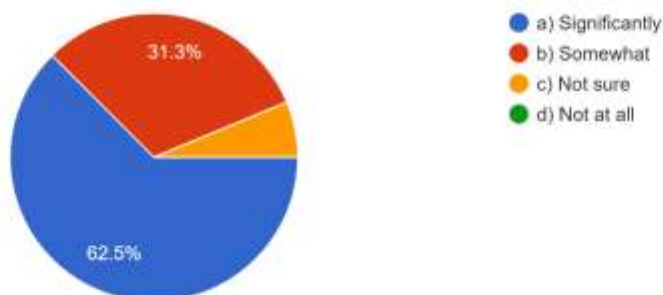

2. To what extent the session contributed to fostering collaboration between academia and industry to enhance knowledge in the field of general management?

16 responses

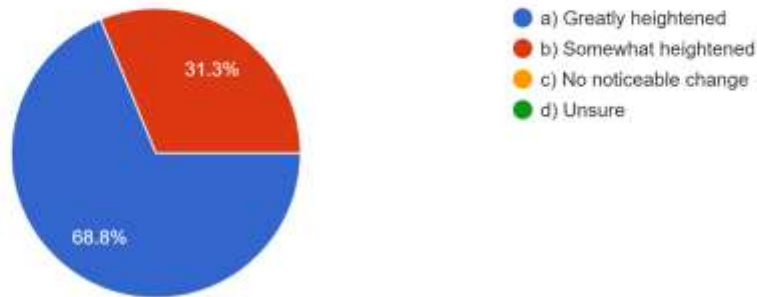

3. In what ways do you think the session helped you implement real-world applications to improve pedagogical strategies and academic content in general management?

16 responses

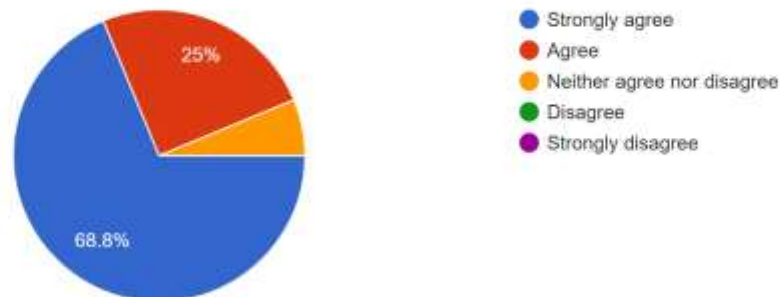

4. How has your awareness of contemporary industry dynamics and strategic approaches in general management been affected by these initiatives?

16 responses

5. The FCM helped me to understand real-world management learnings that I can apply to my classroom teaching.

16 responses

12. Proposals for the Event/Programme:

To
Dr. Harold Andrew Patrick
Dean,
CMS B-School,
Seshadri Road Campus,
Bangalore

25th March 2024

Respected Sir,

Subject: Request your support to help organize a Corporate Faculty meet on the theme: Navigating Change: Resilience and Innovation in modern management practices.

We are glad to inform that the General Management Area intends to conduct a Corporate Faculty Meet on the abovementioned theme on the 8th of April-2024.

The underlying objective of the Meet is as follows:

- To provide a platform for robust discussions on adapting to change, fostering resilience, and driving innovation in the realm of general management
- To facilitate a dynamic exchange of ideas and insights between external corporate experts and faculty members in the realms of strategic management, ethics, sustainability, and economics.

The expected outcome of the meet is as follows:

- Empower faculty members with cutting-edge industry perspectives in general management.
- Cultivate synergies between academia and industry for knowledge enrichment.
- Enhance pedagogical strategies and academic content through real-world applications.
- Heightened awareness of contemporary industry dynamics and strategic approaches in general management.

The Corporate-Faculty Meet will entail the following:

- Expert-led sessions covering strategic management, ethics, sustainability, and economics.
- Interactive engagements, case studies, and practical illustrations shared by corporate experts.
- Question and answer sessions enabling faculty members to engage and delve deeper into the topics.

The topics that will be covered during the session will be as follows:

1. "Adapting Strategies for a Dynamic World"
2. "Ethics at the Core of Sustainable Business Practices"
3. "Innovative Approaches to Sustainable Growth"
4. "Economic Insights Shaping Management Decision-Making"

We intend to invite four panellists from the Corporate who will engage in a meaningful discussion with the faculty members in any one of the four topics. The session will comprise expert-led sessions covering strategic management, ethics, sustainability, and economics and will entail interactive engagements, case studies, and practical illustrations shared by corporate experts.

We seek your kind support and cooperation in organizing the program.

Thank you and warm regards

Dr. Shalini
Area Chair & Assistant Professor
General Management Area
Faculty of Management Studies
CMS Business School
JAIN Deemed to be University.

Dean
Approval Authority

13. Minutes of Meetings:

Meeting Title	General Management Area Meeting	
Date of Meeting	04.04.2024
