

**Innovative Teaching Pedagogy-SAR**

**Audit – Fact File**

**Faculty Name:** Dr. Selvi S

**Course Title:** Audit & Assurance

**Year and Semester:** 2020 semester 3

**List any 50 auditors in India and the world & identify the top 5 auditors in the country**

**Objectives:** The objective of this pedagogy is to help students know the significance of auditing firms and the names of firms with their origin and date of establishment.

**Description of the activity:** In this activity students are asked to gather information about the top 50 auditors in India and across the globe. This will help them understand not only the history and origin but also their establishment and clients served.
