

**Innovative Teaching Pedagogy-SAR**

**Scam Alert**

**Faculty Name:** Dr. Selvi S

**Course Title:** Audit & Assurance

**Year and Semester:** 2020 3 semester

**Activity- Choose one of the scams in India or from abroad**

**Objectives:** The objective of this pedagogy is to help students have a bird's eye view about the scam chose by him/her and present to the class in the form of discussion.

**Overview of the activity:** In this activity students are asked to gather all the facts that can support and defend the case. There is a structure of presentation assigned to the students. The points to discuss are:

Name of the scam, introduction to scam, nature of the company, culture and management, how scandal came to light, whistleblower, loss and damage to public, ethical issues, role of auditor/ audit committee, how could this be avoided, learning outcome and conclusion.

Every student brings out the detailed discussion about the scam which shaken the economy and questioned the judiciary system and legislative & regulatory framework. Close to around 40 plus cases are discussed.
