1. Introduction:

The theme of this year’s cleanliness awareness campaign Swachhata Pakhwada is e-waste management. E-waste management is of paramount importance in today’s digital age due to the rapid growth of electronic devices and technology. E-waste management is crucial for protecting the environment, human health, and data security, promoting sustainable practices, and creating economic opportunities. It requires the collaboration of individuals, businesses, governments, and international organizations to ensure responsible disposal and recycling of electronic waste.

2. Program Objectives:

The objective of the program was to create awareness on e-waste disposal and e-waste management.

3. Relevance to PO, Relevance to PEO and PSOs

PO	Program Objective (PO)
PO1	Apply knowledge of management theories and practices to address and resolve business challenges
PO2	Demonstrate analytical and critical thinking abilities for information-based decision making
PO3	Analyse global, economic, legal and ethical aspects of business
PO4	Apply trans-disciplinary tools and techniques towards effective problem solving
PO5	Assist others and self in accomplishing organizational objectives and contribute effectively to a collaborative team setting.
PO6	Exhibit an entrepreneurial mind-set for the establishment of sustainable businesses and societies.
PO7	Exemplify value-based leadership for excellence

4. Activity Overview:

As a part of this campaign, the Service Learning Committee in collaboration with Student Council and Ethics and Sustainability Cell organized the E waste management workshop for students of Sections F, G and H of Semester 1, MBA Batch 2023-25. An e-waste collection drive was also conducted for the students and staff members of the Institution. The e-waste products were collected in collection bins placed in the ground floor of the Business School.

5. Guest/Speakers' Profile: Brief description about Guest: (at least one paragraph)

Dr. Aprajita Singh is an expert in environmental pollution especially E- waste burning (illegal) and research techniques (bioremediation, biomedical instrumentations). She has worked in field of particulate matter and heavy metals in air and soil because of electronic waste burning. She has also studied about human health (effects due to increasing in environmental pollution) during pollution check in environment. VANSi IEM has extracted various microbes which are present in highly polluted soil along with its bioremediation (of toxic metals) with various technologies.

6. Summary and Key Learnings of the session:

- The workshop underlined the importance of e-waste management
- The workshop also helped students understand the amount and e-waste polluting the environment and why e-waste management is so important
- Responsible disposal of e-waste is critical to the environment and this workshop helped students the importance of this fact.
- The students also got an idea how this can turn out into a feasible business as well.
- Students also understood how further deterioration to the environment is caused if it reaches the hands of illegal e-waste collectors.

Dear Dr. Aprajita,

Greetings from JAIN (Deemed-to-be University), CMS Business School.

As discussed, we are connecting with you to see if your esteemed organization will be interested in conducting a guest lecture for our students on the occasion of **Swachhta Pakhwada 2023**, the fortnightly cleanliness awareness campaign observed in the country between 1st and 15th September 2023.

As part of this campaign, our students are involved in various activities during the last few days. In addition to that, we would like to create awareness on e-waste disposal and management among the student community. Dr. Shaji Thomas, Professor, Finance Area, suggested that we connect with you to take this forward.

The tentative dates are 13, 14 or 15 September 2023 at 2:00 PM to 4:00 PM.

Kindly let us know if this can be arranged and your requirements for the same.

Best Regards,

Rajani | Senior Admin Executive | CMS Business School | JAIN (Deemed-to-be University)
