1. Introduction:

The Service Learning Committee realized the importance being able to respond to emergencies in a competent and speedy manner. To achieve this goal, it is important the institution to not only have emergency response plans in place but also train their staff and students. The Committee engaged two prominent persons in the respective fields as resource persons for this hands-on workshop. Registered staff and students participated in the workshop. The team will be prepared to respond to emergencies should an eventuality arise.

2. Program Objectives:

The objectives of an Emergency Response Team (ERT) are to ensure the safety and well-being of students, faculty, staff, and visitors during emergency situations.

3. Relevance to PO, Relevance to PEO and PSOs

PO	Program Objective (PO)
PO1	Apply knowledge of management theories and practices to address and resolve business challenges
PO2	Demonstrate analytical and critical thinking abilities for information-based decision making
PO3	Analyse global, economic, legal and ethical aspects of business
PO4	Apply trans-disciplinary tools and techniques towards effective problem solving
PO5	Assist others and self in accomplishing organizational objectives and contribute effectively to a collaborative team setting.
PO6	Exhibit an entrepreneurial mind-set for the establishment of sustainable businesses and societies.
PO7	Exemplify value-based leadership for excellence

4. Activity Overview:

The objective of the ERT Workshop was to drive in the responsibilities of members of the ERT and be alert and active in case of any emergencies, especially on the campus. The Resource Person conducted an activity for the understanding what is to be expected in case of emergency and what was actively demonstrated by the team and what needed to be improved.

The objective of the First Aid and CPR Workshop was to train the participants to be able to perform a CPR. The Resource Person guided the participants through all the steps till medical help arrives. The doctor also explained on how to use the AED machines.

Both the sessions were extremely beneficial to the participants to act in times on emergencies within the campus or in public.

5. Guest/Speakers' Profile:

Mr. K K Cariapa

Dr. Gopinath Deshi is a National Accreditation Board for Hospitals Internal Counselor and also and Peer Education Trainer and Participant of Parliamentary Forum on HIV/AIDS, UN AIDS and National AIDS Control Organisation, New Delhi.

6. Summary and Key Learnings of the session:

Mr. Cariapa, Resource Person for Responsibilities of ERT, emphasized on preparedness planning, training, and education for emergency response, including prompt and effective action, search and rescue operations, and medical assistance. Additionally, he stressed the importance of evacuation, communication, logistical support, recovery, and continuous improvement to ensure the safety and well-being of individuals and communities during emergencies. Overall, the primary goal of an emergency response team is to save lives, protect property, and mitigate the impact of emergencies through coordinated and effective response efforts.

Dr. Gopinath Deshi, Resource Person for First Aid & CPR, conducted an engaging and informative workshop on CPR and First Aid, providing participants with essential knowledge and skills to respond effectively to medical emergencies. Through hands-on demonstrations and practical scenarios, attendees learned the importance of timely intervention and proper techniques for cardiopulmonary resuscitation (CPR) and basic first aid procedures.
